

To transport your animal in the hold, you must **strictly comply with the conditions listed below**. Otherwise, your animal will be **refused boarding**. This document must be **signed and presented at the airport on the day of departure**

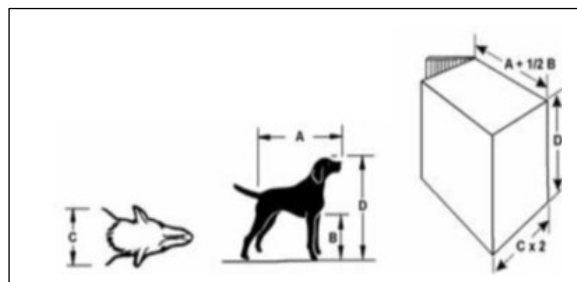

Criteria relating to the transport crate (IATA – International Air Transport Association standards)

- ✓ The shell of the crate must be made **exclusively of fiberglass or rigid plastic**.
- ✓ If the crate has wheels, they must be **removed**. If retractable, they must be **secured with adhesive tape**.
- ✓ The door must have a **central locking system** that simultaneously locks the upper and lower fastening points.
- ✓ The hinges must extend at least **1.6 cm beyond the horizontal edge** located above and below the door.
- ✓ The two parts of the crate must be **secured with bolts**. Any other lateral closing system is strictly prohibited.
- ✓ The animal must be able to **stand upright without touching the top of the crate**, and must also be able to **turn around and lie down comfortably**.
- ✓ The crate must include a **double bowl for water and food**. It must be **empty, fixed, and accessible without opening the crate**.

Compliant / Non-compliant transport

Left: Compliant crate (proper locking, bolts, structure)
Right: Non-compliant crate (prohibited fastening systems,

Dimensions legend

- A = Length of the animal from nose to base of tail
- B = Height from ground to top of leg (elbow)
- Crate length must be at least: **A + 1/2 B**
- C = Width of the animal
- Crate width must be at least: **C x 2**
- D = Height of the animal in natural standing position (up to ear tips)
- Must be equal to the **height of the crate**

Additional criteria for the comfort and safety of your animal

- ✓ The bottom of the crate must be covered with a blanket, newspaper, or absorbent material. Straw is prohibited.
- ✓ The animal must not wear a leash or muzzle. These items must not be left inside the crate.
- ✓ The animal must not show signs of physical weakness, must not be injured, and must not be under sedation.

Declaration by the passenger

I certify that my animal does not belong to:

- A snub-nosed breed (e.g.: pug, bulldog, boxer, Pekingese, Shih Tzu, Persian cat, etc.)
- A category 1 or 2 dog breed, as defined by the French Ministry of Agriculture

I acknowledge that I have read and accepted the above conditions. Failure to comply may result in refusal of transport of my animal.
